This is why I write . . .

"*The Uneven Road* is a beautiful, worthy sequel to *The Boat House Cafe*."

"Your books enliven my senses in a very delightful way making 'Chappy' a place I look forward to experiencing firsthand someday."

"The book was a delight; offering realistic, fully actualized characters living perfectly portrayed imperfect lives. It was effortless, caring about these people."

"This was one of those books that was very difficult to put down; I thoroughly enjoyed it."

"What a wonderful emotional literary trip. I found so much of my own life in theirs."

"It's a wonderful work. Very inspiring. . . There were many moments I loved in the book, but I'll mention only my favorite. I loved the Grace and Jo connecting, really marvelous. And of course you do great dialogue, I always want more. . . the characters come alive in a powerful way, very affecting."
